No.

B/13

SIR,

Cancellation of the inam tenure of the lands endowed to Sri Narasimhaswamy Temple at Bettadahalli, Kunigal Taluk.

I have the honor to forward herewith copies of letter No. ..XC. of 33-34 dated 11-4-1934 and 23-10-1934 from the Deputy Commissioner, Tumkur District, re: the above, and to state that the attempts made by the local officers to lease out the inam lands of the temple proved futile, that the villagers are neither willing to take the lease of the lands nor to bid for them at an outright sale. The Deputy Commissioner further states that the price of dry lands in the vicinity is R. 75/- per acre and that of wet land R. 300/- per acre and that the lands may be disposed of by sale, the realizations kept in C.D. Deposit and services conducted from the interest accruing thereon. In view of the circumstances explained, the proposal of the Deputy Commissioner for cancelling the inam tenure of the lands and selling them in public auction may be sanctioned.

On receipt of orders action will be taken to sanction the remission of the amount, wrongly taken on demand.

The records are forwarded herewith.

I have the honor to be,
Sir,
Your most obedient servant,

Resident Commissioner
for Muzrai Commissioner.

Letter No.M.2004/33-34 dated 11-4-34 from the Deputy Commissioner, Tumkur District, to the Muzrai Commissioner in Mysore.

I have the honor to enclose the file of records relating to the leasing out of the inam lands belonging to the temple of Sri Narasimhaswami at Bettadahalli Amrutbur Hobli, Kunigal Taluk, and to state as follows:-

The temple has been endowed with the marginally noted inam lands for its up-keep. The Muzrai Sheristedar has estimated the annual income at R 144/- in the year 1919 and consequently it has been classed as a minor institution. The inam lands have ever since been in the enjoyment of the archiks, who plead their inability to pay any reserve amount or contribution towards Muzrai Establishment and they have successfully avoided the inam lands being sold for lease. The villagers are all combined and are further not likely to allow any attempts on the part of Govt. to improve the financial condition of the institution. The inam lands are all valuable and the annual yield is about 16 kandies of grain, which is sure to fetch more than R 100/- even at the prevailing low rates and the archiks plea that they have to worship in two places cannot be accepted, in as much as the inam lands were granted only for the support of the Mulavaru and not for any other deity.

the patel for being cultivated on vara tenure. If this should also fall due to combination in the village, the inam tenure of the lands will be recommended for cancellation as opined by the Amildar and the Sub Division officer, the lands converted into assessed waste and finally disposed of by sale. The realisations therefrom may be kept in P.D. deposits in the name of the institution and sevas performed out of the interest accruing thereon.

Letter No.M.2004/33-34 dated 26-10-34 from the Deputy [illegible] Tumkur District, to the Muzrai Commissioner in My Ofc.

Subject:- Lease of the inam lands belonging to Tr [illegible] Swamy of Hole-2 at Pettadahalli Amruthur Hobli, Tumkur Taluk.

In continuation of this office No.M. 004, 33-34 dated 7-10-34 on the above subject, I have the honor to state that the archaks of the temple are reported to have been dismissed, but yet they are taking work from them on their own responsibility. It is also reported that the patel is unwilling to take up the lands on Varam tenure but mutchalika has been obtained from him to watch the bajayat crop on the lands. It is not likely that lease will be taken up by any body or that the archaks will pay the reserve as per sanctioned scale. In the above circumstances, the inam tenure of the lands may be kindly cancelled and the same ordered to be disposed of by public auction as asse[illegible] waste. The sale purchaser may be arranged to be kept in Savings Bank or State Loans in the name of the deity and the sevas got performed from the accrued interest.

2. A sum of Rs 346-12-4 has been taken on demand being the arrears of reserve fund due by the archaks in accordance with the scale proposed the Muzrai Cheristedar. The same may be kindly ordered to be written off the accounts. S.No.50 wet measuring 1 acre 19 guntas is offered to be taken up on varam tenure by one sepoy Thimmiah of the village for the year 1934-35 and I have approved of the arrangement. The entire file of the records are herewith sent for favour of perusal and orders.
